

What is The Arc Muskegon?

Small home repairs or projects can lead to big and expensive repairs if not taken care of. The Arc Muskegon applied for some Senior Millage funds to help older adults who have loved ones with disabilities still living at home and want to continue living in the family home. Let us fix that leaky faucet, cracked window or countless other small repairs that will lead to bigger problems. The Arc Muskegon will also be able to link you to other available resources in Muskegon County.

Program Criteria

- ✓ Resident is 60 or older
- ✓ Resident has an adult child with a disability living in the family home.
- ✓ Live in Muskegon County
- ✓ Limited financial or family resources.
- ✓ Repair needs do not exceed **\$200.00**

Repairs are completed by Pioneer Resources Maintenance Department or local professional.
